Common Fund offers for 2012

If your PCC has not already made its offer for Common Fund giving for 2012 can you please ensure that it is discussed at the next meeting, so that your offer can be included in the information available to the budget setters in the diocesan office. We hope that you have found the Common Fund DVD useful and that it will be shown to as many of the congregation as possible. Please remember that it is also available on line, so is easily accessible to a wide audience.

Annual Accounts / Report

A number of parishes have not yet submitted their annual accounts, which should always be accompanied by the annual report. If you are having difficulty uploading the accounts please contact the IT department for help.

martin.how@london.anglican.org As a last resort you could post them to the area office where they can then be scanned and uploaded.

Annual Returns

Many of you will have seen the 10-year graphs that have recently been compiled from the returns that have been made over the past years. The aim is to update these each year but this cannot be done without your help; please can you make sure that the financial return is completed, (preferably on-line) and that the other statistics about mission and officer details are provided as quickly as possible. These figures are proving helpful in getting a good overview of the church in London, not least in that they help to dispel the myth that the church is shrinking.

How to Succeed in Legacy Fundraising

McConkey Johnston are running a workshop on legacies on 14th September. Places are limited so if you are interested please contact them immediately: download a form from www.mcconkey-johnston.co.uk/events Cost: £95 per person. Venue: Evangelical Alliance, London.
